

Dear Neighborhood Retailer,

I love shopping at your store. And I would love it even more if you carried an amazing new kids' juice box that I just discovered: Little Me Tea.

The mom who created this product knows a lot about what parents like me want: a drink that's low in sugar, chock full of wholesome ingredients and uber-healthy for my kids. Little Me Tea is made with a blend of antioxidant-rich, caffeine-free teas lightly sweetened with fruit and veggie juices. It's certified organic, non-GMO Project Certified and has just 25 calories and 6 grams of (naturally-occurring) sugar per juice box. Wow – that's less than any other juice box! My kids absolutely love it and so do I.

So, there you have it. Your Store + Little Me Tea = Happy Parents.

I look forward to seeing Little Me Tea in your store! Contact:
sales@bigtimetea.com.

Sincerely,
Your Loyal Customer
